## OUR GOALS:

- To provide a supportive environment at school where parent involvement is encouraged.
- To build and nurture school-home partnerships that support family literacy possibilities
- To articulate strategies designed to expand upon a family's strengths in creating language and literacy rich environments for their young children.
- To increase children's readiness for school entrance.
- To provide Information and Referral that help parents know where to turn in the community to find specific help.
- To provide parenting workshops and specific meetings on topics requested by parents and/or teachers.
- Offer to students a range of recreational and educational opportunities that support positive relationships with peers and adults.
- To increase availability of high-quality child -care (preschool and /or school-age before-and-after school).
- To enhance student achievement
